SECURITY PROCEDURE

The second paragraph of the Section 3 entitled Security Procedure in Appendix: Other Banking Services Relating to Accounts in the Deposit Account Agreement of the General Terms for Accounts and Services of the J.P. Morgan Deposit Account Terms and Conditions shall be revised to read as follows:

Unless we and you have agreed in writing to an alternate security procedure, the authenticity of oral or written (including writings transmitted by facsimile) wire transfers or other payment orders may, at our discretion, be verified by telephonic call-back confirmation with an individual purporting to be a person reflected on our records as having authority to initiate wire transfers or, if you have enrolled in a service to verify such payments through our online and mobile services and applications, we may verify wire transfers or other payment orders via approval through those channels by you or an individual reflected on our records as having authority to initiate wire transfers or other payment orders. You agree that this security procedure is a commercially reasonable security procedure for those wire transfer payment orders.

FOREIGN CURRENCY TRANSFERS

The first paragraph of the Section 4 entitled Foreign Currency Transfers in Appendix: Other Banking Services Relating to Accounts in the Deposit Account Agreement of the General Terms for Accounts and Services of the J.P. Morgan Deposit Account Terms and Conditions shall be revised to read as follows:

Any transaction we conduct for you in a foreign currency, such as sending or receiving a wire transfer to or from another country, depositing a foreign check, or exchanging foreign currency in our branches, will use an exchange rate. Currency exchange is only available at a limited number of branches and in certain currencies. The foreign exchange rates we use are determined by us in our sole discretion. We may make money providing foreign currency exchange services to you. You should expect that these foreign exchange rates will be less favorable than rates quoted online or in publications. The exchange rate we use will include a spread and may include commissions, or other costs that we, our affiliates, or our vendors may charge in providing foreign currency exchange to you. The exchange rate will vary depending on the type of transaction being conducted, the dollar amount, the type of currency, the date and time of the exchange, and whether the transaction is a debit or credit to your account. If we complete a foreign currency exchange on your behalf, such as exchanging a foreign currency incoming wire transfer into U.S. dollars, we may apply a rate we have established without prior notice to you. Additional terms specific to outgoing wire transfers or consumer international wire transfers are contained in your wire transfer agreement. If you issue, and we accept, a payment order for payment outside the United States in a currency other than the U.S. dollar, we will debit your Account for the U.S. dollar equivalent of the amount of the foreign currency transferred. In processing your funds transfers, other banks may deduct their fees from the payment orders issued to them. If the beneficiary's bank is instructed to pay in a currency other than its local currency, payment may be made by the beneficiary's bank at its rate of exchange on the date of its payment. In connection with each funds transfer, you shall be responsible for complying with all local currency restrictions and any other local law governing the transaction.

NOTIFICATION OF ERRORS, FORGERIES AND UNAUTHORIZED SIGNATURES

The section entitled Notification of Errors, Forgeries and Unauthorized Signatures in the Deposit Account Agreement of the J.P. Morgan Deposit Account Terms and Conditions is retitled "Review Your Account Statements for Checks and Other Errors," and shall be amended and read as follows:

Review Your Account Statements. You are responsible to review your account statement to identify and notify us whether any unauthorized transactions or errors have occurred and notify us promptly and failure to do so means you will be financially responsible for those errors. For all errors, you must provide us with all information we need to investigate the alleged error or item. You must also file any police reports and provide any supporting written statements, declarations, affidavits, and testimony we reasonably request. We have no duty to you to determine whether any check is forged, counterfeit, altered, improperly endorsed or otherwise improper.

Let Us Know About Check Errors. To be considered for reimbursement you must notify us:

- Within 60 days after we make a statement available if a check drawn on your account that you did not authorize or that is altered is listed on your statement.
- Within 6 months after we make the statement available if a check drawn on your account has any unauthorized, forged, improper or missing endorsements on the back of the check.

We may not be liable to reimburse these checks to you. If you report to us within the timeframes above we may work with the depositing bank on your behalf to attempt to recover your funds. In addition, if you fail to notify us of any unauthorized check within 30 days after we make a statement available that first lists an unauthorized check, we are not required to reimburse you for unauthorized checks initiated by the same wrongdoer(s) that we pay after that time. If you do not comply with these requirements, we are not required to reimburse you for any claimed loss, and you cannot bring any legal claim against us in any way related to the check or errors. These timeframes do not limit our rights to attempt to collect on checks from other banks.

Let Us Know About Other Errors. You must notify us within 30 days after we make a statement available if:

- There is an inaccurate or unauthorized teller transaction;
- Your account statement contains any errors; or
- You did not receive your scheduled statement.

If you do not comply with these requirements, we are not required to reimburse you for any claimed loss, and you cannot bring any legal claim against us in any way related to the errors.
